ORDER

AND NOW, this 23rd day of November, 2022, upon consideration of the Petition to Open Ballot Box and for Correct Recount pursuant to 25 P.S. § 3261, filed on November 18, 2022, it is hereby ORDERED and DECREED that the Petition is **DISMISSED**.

Pursuant to 25 P.S. § 3263(a)(1)(i)(A), “a recount ...shall include all election districts in which ballots were cast for the office in question...”. Ballots were cast for the Office of Governor in every election district within the Commonwealth. The Petition was filed in only one district within York County. The only exception to this requirement is “...if a petitioner under Section 1701 (25 P.S. § 3261)...pleads that a particular act of fraud or error occurred and offers prima facie evidence supporting the allegation.” (25 P.S. § 3263(a)(1)(ii)). The Petition filed in this matter does not aver a particular act of fraud or error and offers no prima facie evidence of the same.
